

Beginner Fantasy Road: Dragons

Lesson 1: Contour manipulation

Assignment: 1) Using what you've learned in the video, manipulate the contour of the given cylinder using the shape that we've provided.

Tip: Use the square markers as a guide for better framing when taking pictures with your device.

Beginner Fantasy Road: Dragons

Lesson 2: Dragon Horns

Assignment: 1) Using what you've learned in the video, manipulate the contour of the given cylinder using the shape that we've provided.
